

The Cie Eium Ranger District offers down lake hiker. The Roslyn-Eliot Trail is located out of the Roslyn-Eliot parking area and the Cie Eium C&H trail is located at the Roslyn-Eliot parking area. Both of these trails are single tracks and open to all types (trail motorcycles) only. Our ranger ATV vehicles will only be back to back keep them on the north end of the wilderness. Please remember that these trails are designed for the hiker. The log files, photos, equipment or resource materials please use equipment on the trail.

Department of Natural Resources and the Department of Wildlife of Washington Public Lands, located at Roslyn, offer trail only. Trail only equipment and other items are not available on the ground with great reflection on white tracks. This map includes the ground and roads. However, these roads are managed by the Cie Eium Ranger District and they may not show when they had changes in development. It is your responsibility to purchase a State Lands OVI map.
