

Mt. Baber trails are open year round except during regulated use fire season. Individual trails may be closed at any time due to active forest management operations, ongoing project work, or to prevent trail damage. Check the trail signs and information kiosk for current info. Total length of trail loop is 32.6 miles.

All of the trails in the Mt. Baber area are marked with trail signs. Each sign has the trail name, difficulty level, and use designation. Operate only on the trails open to your use type and appropriate for your skill level.
